If you need help

You can get help from other people, such as a friend or family member. Please do not ask your health care provider to complete this report. If you cannot complete the report, a Social Security Representative will assist you. If you have an appointment, please have the completed report ready when we contact you. If we ask you to do so, please mail the completed report to us ahead of time.

Your medical records

WHAT WE MEAN BY "DISABILITY"

"Disability" under Social Security is based on your inability to work. For purposes of this claim, we want you to understand that "disability" means you are unable to work as defined by the Social Security Act. You will be considered disabled if you are unable to do any kind of work for which you are suited and if your disability is expected to last (or has lasted) for at least a year or is expected to result in death. So when we ask "when did you become unable to work," we are asking when you became disabled as defined by the Social Security Act.

The Privacy Act

Sections 205(a), 223(d), and 1631(e) (1) of the Social Security Act, as amended, authorize us to collect this information. The information you provide will be used to make a decision on the named claimant's claim. While giving us the information on this report is voluntary, failure to provide all or part of the requested information could prevent an accurate or timely decision on the named claimant's claim. We generally use the information you supply for the purpose of making decisions regarding claims. However, we may use it for the administration and integrity of Social Security programs. We may also disclose information to another person or to another agency in accordance with approved routine uses, which include but are not limited to the following: (1) to enable a third party or agency to assist Social Security in establishing rights to Social Security benefits and/or coverage; (2) to comply with Federal Laws requiring the release of information about Social Security records (e.g., to the Government Accountability Office and the Department of Veterans Affairs); (3) to make determinations for eligibility in similar health and income maintenance programs at the Federal, State, and local level; and (4) to facilitate statistical research, audit, or investigative activities necessary to assure the integrity of Social Security programs.

We may also use the information you provide in computer matching programs. Matching programs compare our records with records kept by other Federal, State, or local government agencies. Information from these matching programs can be used to establish or verify a person's eligibility for Federally-funded or administered benefit programs and for repayment of payments or delinquent debts under these programs.

Additional information regarding this form, routine uses of information, and our programs and systems, is available on-line at www.socialsecurity.gov or at any local Social Security office.

The Paperwork Reduction Act

This information collection meets the requirements of 44 U.S.C. § 3507, as amended by section 2 of the Paperwork Reduction Act of 1995. You do not need to answer these questions unless we display a valid Office of Management and Budget control number. We estimate that it will take about 60 minutes to read the instructions, gather the facts, and answer the questions.

SEND OR BRING THE COMPLETED FORM TO THE OFFICE THAT REQUESTED IT. If you do not have that address, you may call Social Security at 1-800-772-1213 (TTY 1-800-325-0778). You may send comments on our time estimate above to: SSA, 6401 Security Boulevard, Baltimore, MD 21235-6401. Send only comments relating to our time estimate to this address, not the completed form.
